Introduction

It must always be considered that the core obective of PPS Sales team is to achieve the follwoing targets:
- Revenue;
- Profit;
- Units;
- Market Share.

This within the registered accounts as mentioned in the below focusing on A, B, and C segments:

PPS prospects and existing customers are splitted up within 2 categories:
- Commercial printers (e.g. LSC Communication, LithoFormas, PrintShop, etc...);
- Corporate CRDs (e.g. Telmex, Telcel, Inbursa, etc..).

Policies

The assignation of accounts is processed within the following manner (our CRM is always the referral within such process):

a) The account is registered within our CRM:
- The account registers acitivties within the last 4 months at least from current sales representative owner. The account remain under the responsability of the same sales rep.
Al momento de revisión no hay actividades por parte del ejecutivo registrado, en este caso la cuenta puede cambiar de propietario por decisión del Gerente de Ventas PPS (o Gerente Sr, Dir., Dir. Sr.).

b) The account is not registered within CRM:

The Sales Rep registers the account and start the related sales activities.

The new accounts to be registered can only be assigned/approved by PPS Sales Manager, or Direct Sales Sr. Manager.

Each accounts being worked from Sales representative has to be registered properly within CRM (salesforce.com).

It is the responsability of Sales Representative to work and to be able to demonstrate activities perfromed witin registered accounts. By registering the updates constantly within the CRM without enabling 4 months and beyond without any activity.

No assignation of accounts can be performed without analysis and revision from PPS Sales Manager or Direct Sales Sr. Manager.

Responsabilities

PPS Sales Representative

Knowing and understanding the adequate business behaviors, market trends, specifics requirements, internal processes for its customer assigned within CRM, is mandatory. Clear understanding of customer context, processes, background is crucial and responsability of the Sales Representative.

PPS Sales Representative must convert himself into a business consultant which add values to his own customers. It must be perceived this way by its all customers. To reach this level the application of SPIN is mandatory (subject to be consciously competent within the knowing and understanding of SPIN).

To generate/elaborate strategies to ensure the oprtimum atention within all accounts that our customers deserve, using the tooling provided by Canon Mexicana performing prospection and investigation within all accounts (LinkedIn, 7 steps phone calls and demos, SPIN).

To contact on a very frequent basis (each month at least by visits and calls) all registered accounts, to the highest level ("C" level), developping needs and sales opportunities by providing inkjet color, DPS, DGS and TDS solutions to face those needs uncovered during investigation.

The Sales Representative must always perform an optimum activity, which totally reflected within weekly and monthly KPIs.

The Sales Representative registers his weekly activity, each friday 4PM the latest. Ideally his activity is registered on a daily basis.

In the same way the sales opportunities are updated on a weekly basis (date, sales amount, % closing, etc...).

PPS Sales Manager

Within the assignation process of new accounts, PPS Sales Manager must consider the ideal/right balance within the sales team, with the objective to ensure that all registered accounts are properly investigated. In order that all prospects and existing customers are constantly contacted being witnesses of the strong presence of our brand within the Graphic Arts industry.

Share with Sales Administration Sr. Mgt. the assigned list of accounts per Sales Representative (on request).

Revising with Direct Sales Sr. Mgr. and Sales Administration department the details which will lead to the right assignation of a determined account.

The PPS Sales Manager is also of course responsible for:
- complying with the defined targets (from Jan1st). Those can evolve along the year;
- complying with the defined KPIs;
- promoting our corporate philosophy Kyoseï, and our San-Ji spirit;
- being an example regarding working hours, adecuate and professional internal and external communication, strong ethic towards customers, prospects and co-workers.

Posible exceptions:

In the case that one customer is requesting Sales Representative change, this must immediately be reported to PPS Sales Manager.
The assignation of accountswill only be possible once the customer/prospect has demonstrated that current status could put at risk business relationship between the 2 companies.

Considerations:

Within Canon Mexicana all employees is invited to share any sales opportunities they could have detected. In this case always send the relevant information to PPS Sales Manager copying HR Manager. This to ensure the right Sales Representative has been assigned and that tracking of origin of lead can be performed in a transparent way.

Doubts or questions:

Thanks for contacting PPS Sales Manager and/or Direct Sales Sr. Manager.
