OBJECTIVE

The purpose of this policy is to guarantee and approve the correct process of capturing purchase orders processed by the BISG Order Desk Dealers area. Ensuring that customer purchase orders are processed during the daily basis BISG sales.

SCOPE

The guidelines indicated in this policy will be applicable to the purchase orders sent by Dealers.

POLICY

1. Canon Mexicana sell its products through its network of authorized dealers. Therefore, orders from customers that are not registered in the BISG division will not be processed.

2. All purchase orders must be sent by the dealer to the order desk mail odbisg@cusa.canon.com

3. All purchase orders must include the prices of the products ordered, expressed in US dollars according to the price lists managed by the Marketing area.

   In order to purchase merchandise under request, it is essential to indicate the amount per item. These orders will not be processed until they receive approval from the credit area (by mail or through the Lotus data base).

4. The purchase orders on products whose quotation has been in dollars also can be invoiced in Mexican pesos, according to the exchange rate on the day the order is received.

11. If the purchase order does not comply with the requirements established in this policy, Order Desk will reject the order and will notify via mail with a copy to the sales executive for correction.

RETURN

Canon Mexicana does not accept returns. If there is an exception, you must request the authorization of the Manager or Product Control Supervisor via e-mail

Once authorized by the corresponding area, the interested party will have the responsibility of entering the request in the Lotus Notes data base "BISG Return, Cancellation and Re-billing", attaching the support of the authorization and will follow up until its concluded.

Order Desk will receive notification of the authorization to make the capture in System 21 and will add the Folio of the Return to the Lotus Data Base.

CANCELATION

Order Desk will only process previously authorized cancellations.

A. CP Cancellation

These can occur in the following cases:

- When the product is on Back Order. The dealer can request the cancellation within a period of 24 hrs., As long as it has not been contemplated for purchase. Order Desk will receive via e-mail the authorization from the Product Control area to later make the cancellation in System 21.

- If cancellation of order is required in the back order and it is not within the period mentioned above, the cancellation will not proceed.

- When the product is discontinued. The Product Control area will notify the Sales area thru a discontinued letter so that they can notify to the dealer that it will be canceled. Once notified to the Sales area, Product Control will request via e-mail the cancellation of the item or CP, according to each case.

- Order Desk will clear bimonthly all the folios that are stopped by the credit area, these will be canceled and the Sales area will be notified in order that they can notify to the dealer. This type of cancellation will not apply if they are under request products.
