CANON MEXICANA, S. DE R. L. DE C. V.

TITLE: CCC KPI's					
Name: CCC KPI's					
ADMSRVBISG -012	Validity since			VERSION	PAGE 1 of 2
	Day	Month	Year	1.0	
	29	05	18		

Objective

To define Standards and Metrics of CCC team.

CCC KPI's

1. Every CCC Coordinator will comply with the following standards and metrics:

Topic	KPI
Average Handle Time	5 min
Abandoned Rate	3%
Monthly Overall Score	95%
FSR backlog	<5 days
IVR Availabylity	85%
After Hours Shift Availability	100%

2. KPI's will be reviewed on weekly basis in order to have a Monthly Score.

3. Weekly scores will be reviewed directly with every CCC coordinator along with his/her Supervisor for awareness.

4. In case of Non-Compliance of such KPI's a Personal Improvement Plan will be applied prior to further administrative sanctions, this will be part of the Performance Evaluation. (mid term and annual)

5. Each CCC Coordinator will be assigned with a Team of Direct Field Engineers or a group of Service Dealers, The Backlog KPI will be bounded with this FE's Team o Dealer Group.

6. Each CCC Coordinator will attend the After hour shift once every Month, exceptions must be informed to CCC Supervisor at the beginning of the month.

7. Vacations, Personal Permissions or Absences must be informed to the Supervisor. 1 week notice fir the first 2.

8. Any nonconformity, complain or suggestion about the Supervisor must be informed to BISG Service Sr. Manager or HR.

9. Work Environment:

- Respect
- Conduct in a professional way
- Keep a clean and tidy work place
