Employee:

- Accomplish with established dates for documentation delivery.
- Process the payment in Lotus Notes ("Solicitudes de pago" Database).
- Deliver 100% of documentation required for the payment process. (Invoice, Validation format, evidences, and if is necessary contract).
- Review in Lotus Notes ("Solicitudes de pago" Database) the payment date of the processed invoice.

Managers:

- Review that the payments in process accomplish the corporate policies and are according with the area budget.
- Review invoices that were uploaded in ARCS system to make sure are completes for their approval; to avoid delays of the delivery to accounting area.

Directors:

- In case of absence from the manager or the delay in the authorization on ARCS system for more than 3 days, the director can approve the payment. Also, if the amount is higher than 50,000 pesos.

Business Planning Specialist:

- Once received complete documentation, it will be delivered the following Tuesday after their reception to accounting area at 10:00 am. Once made the delivery, the payment date can be consulted in Lotus Notes ("Solicitudes de pago" Database).

- Report immediately through Lotus Notes ("Solicitudes de pago" Database) any issue in the invoice process, describing the reason and the new payment date.

- Receive documentation the days:

Friday	Monday	Tuesday	Wednesday	Thursday
INVOICE RECEPTION				

IV. GENERAL GUIDELINES

- Each invoice that need to be processed for payment, needed to be uploaded in Lotus Notes ("Solicitudes de Pago" Database).

- The invoice must have the current month date that is processing; if not, it must be reinvoiced again by the supplier or Dealer.

- Deliver the physical documentation with the correct support according the product or service requested, which one is going to process the payment; for example, photographs, expenses detail, assistants list, physical magazine (if it is a publication), logo usage for promotion or Web publicity must have Corporate Communication approve.

- If the invoice is over 50,000 pesos, is mandatory to deliver a contract of the service with the corresponding authorizations.

- The validation Format must be signed by the requester responsible, to be processed the payment.

- If the supplier or Dealer request the payment voucher, request must be submitted in Lotus Notes ("Solicitudes de Pago" Database).

- The persons in charge of authorizations in ARCS system must authorize the requests before 9:00 am on Tuesdays, so that the requests can be paid the same week, otherwise the payment will be made the next week.
