I. OBJECTIVE

Establish the guidelines that must be followed to process a purchase order from the Healthcare Department.

II. SCOPE

This policy applies to the Healthcare Solutions Sales and Support area.

III. RESPONSIBILITIES

The Healthcare Department in compliance with Canon's internal policies, especially those from Product Control, Credit and Collection Departments, and Logistics, will carry out a series of actions focused in processing the purchase orders of the commercialized devices.

IV. PROCEDURE

1) Healthcare Manager is responsible for:
   a. Ensure that the customer or dealer is already registered according to policy HEALTHCARE-008
   b. Receive a formal and written purchase order from the customer or dealer. The purchase order format must be issued by the Healthcare Department complying with the Product Control Department requirements. The customer or dealer signed quotation is used as a backup.
   c. Confirm that the commercial conditions in the purchase order are valid and match those established in the quotation
   d. Assure that the payment condition approved by the Credit and Collection Department are honored before and after the order is processed. Receive the corresponding payment vouchers. Agree with the customer the currency on which the payment will be carried out. The exchange rate to be applied will be the one established by S21.
