CANON MEXICANA, S. DE R.L. DE C.V.

TITLE: **SPECIAL BUSINESS POLICY**					
	EFECTIVENESS			VERSION	
REF:	DAY	MONTH	YEAR		PAGE 1 OF 2
CPITCG -001	01	06	18	**1 .0**	

OBJETIVE

The purpose of this document is to establish the guidelines that should be applied for the purchase of the merchandise with a high value (more than $40,000.00 mxp) and/or with slow moving for ITCG products, so that the areas to which they apply are aware of and understand the use of this policy.

SCOPE

This policy applies to all sales areas of ITCG and BISG

DEFINITIONS

Purchase order: Document created by our commercial partners with which the process of requesting the acquisition of a product begins.

Applicant: ITCG or BISG Sales Area

Special Orders: Understand by special order the following concepts:

- Bid: It is the public notice made by the Government dependencies and entities announcing the start of a procedure for acquiring a product in which specifies the most essential information to allow the participation of interested parties.

- Special Projects: Special purchase of certain products under request from the client.

DATE: 15/05/18	DATE: 15/05/18	DATE: 15/05/18

RESPONSIBILITIES

Applicant: It is the responsibility of the applicant to share with the Product Control Area the following information for special projects and / or bids in order to inform to CUSA about the requirements and follow up on them.

- Mercury Code-Description and required quantity.
- Name of the wholesaler, dealer or direct client.
- Final Client or Government Dependency.
- Date of failure or decision making.
- Estimated delivery date of the product.

It is also the responsibility of the applicant to inform if the special business or the bid was won, lost or to share the purchase order to ITCG Product Control.

ITCG Product Control: It is the responsibility of Product Control Area to inform to CUSA about special businesses, as well as, follow up and respond to the applicant about their requirement. Product Control is also responsible for sending the purchase order to CUSA and to tracking the order until the allocation of the merchandise is done.

POLICY

In order to make the purchase of the product to CUSA, we must have the purchase order from the commercial partner or a sign contract, without one of these documents Product Control area will not be able to purchase the merchandise.

In case that the merchandise need to be ship in a different method other than the truck, it must be made by Logistics department a quotation and after that, it need to be approved by the Director of the area.
