Objetive

The Objective is to stablish the guidelines, the periods and the necessary information for a comodato request, status reports and follow up.

Scope

This policy is for all employees of the company.

General Guidelines

1. **Captured in "Comodatos" Web application":** all Request must be captured and authorized by the "comodatos" Web application.

2. **Information Required:** Every comodato must contain the basic information to be captured:

   - **Reason of the request** (Short description)
   - **Code and model** (the employee should check availability on SYS21)
   - **Quantity**
   - **Delivery Data:** specify the name of the employee and the floor to deliver; if the request is to send in another place (out of altiva building). The employer must specify the Address, name and telephone number of the person that will receive the merchandise (For any reason the fixed asset's comodato will be delivering out of Altiva, in this case will be delivering to a Canon Mexicana employee who will register the departure on "Prestamos" Data Base by Lotus Note.
   - **Cost** (the employee should check unit cost on SYS21)

3. **Captured in SYS21:** Every comodato that will be captured in SYS21 have to be authorized in "Comodatos" Web application and it will be captured 24 hours after being finalized, except in the closure period (Review the calendar send by Mónica Martínez every month). The Capture of each in SYS21 can be realized by different persons this depend about the kind of comodato.

ELABORADO POR	REVISADO POR:	AUTORIZADO POR:	AUTORIZADO POR:
César Flores	Cynthia Rios	Hirofumi Tanaka	Taisuke Horiguchi
FECHA: 13-Feb-19	FECHA: 12 feb 19	FECHA: 13 Feb 19	FECHA: 13/2/19

4. **Types of comodato:** Consider that each kind of comodato has different specifications: Person who capture in SYS21, Additional information or specific rules.

   A. **Comodato de Activo fijo (fixed assets):** this comodato require the last signed version of the Fixed assets certificate (Review with Alejandro Holguin luna). The capture process in SYS21 will be created by Accounting area. Before create the comodato is necessary to review the availability, in case there is no availability check with product control for your request because the comodato process can start only if the product is available.

   B. M01 **Garantia de productos (Product warranty):** the capture process in "Comodatos" Web Application is exclusive of Service area.

   C. M07 **Enseres Menores (minor Items):** A product consider as Chattles minor has no cost more that $ 5,000.00 (Five Thousand pesos 00/100 M,N.). it is necessary that the products are included on the chattels minor form and and to send by mail how the product will be used:

      Final User: For demonstration and Trainig
      Canon Employee User: A shot explanation about how will be used

   D. M11 **Faltante de accesorios (Accessories missing):** To process the comodato is necessary to have the evidence by mail that the merchandise arrive incomplete. The area that will upload the comodato in SYS21 is Sales administration.

   E. M22 **Material prueba de impresión (Material for Printing test):** in case you require the material for a event (demo, expos, fairs, conventions), it is necessary to make your request in advance (minimum 5 workdays before the event) and check the product availability. The employee has to follow up the signatures in "Comodatos" Web Application" to expedite the process.

   F. M21 **Material promocional (advertising Material):** The advertising comodato is Processed by MKT area in "Comodatos" Web Application" and in SYS21 by Sales administration.

Important Note: Before requesting a comodato at the end of the month, please check the closing calendar sent by Mónica Martínez and the person in charge of the warehouse. Folios cannot be processed outside the established dates.

5. **Comodato reporting and follow-up: Every month in closing period, the Sales Administration area will generate the report with the results of the period, by fixed assets and of minor items and will deliver to Budget Control to review vs monthly budget.**
