1. OBJECTIVES

   This Policy will assure all special businesses are approved by the corresponding areas and communication flow within areas to have complete information for every payment by Credit Note or vendor conditions estimation and payment.

2. REACH

   Planning, Program Management and the ITCG areas involved in Special Business Process.

3. DEFINITIONS
   - Special Prices: Special sale with a long continuity. Example: Waterparks that make additional purchases or renew equipment during the course of the year.
   - Special business: Special sale that is carried out only on one occasion, a special price is granted due to the volume of the purchase.
   - Bidding: It is a special type of Business. Government bid for the acquisition of products or services through special requirements.

4. PROCESS
   A. Planning will authorize a Special Business or Price according to its "Project and Special Business Policy".
   B. Planning must send its authorization of the Special price or business by mail to Program Management.
      - For Biddings the mail title must begin with "Bidding".
   C. Program Management will not consider the Bidding mails for Vendor conditions neither the mails that indicate that they are out of Vendor Conditions within the body of the mail.
   D. During the first 5 days of the month, Program Management will send a report of "Special Businesses" to the sales executives to identify the sales that will be deducted of the rebate and coad calculations.
