	01	02	19	**1 .0**	

1. OBJECTIVE
   Establish deadlines, authorizations and requirements needed to pay the customers' benefits for ITCG Division (Promotions, Advertising and Vendor Conditions).

2. REACH
   The policy applies to Marketing Intelligence, Sales Administration and Retail Sales.

3. DEFINITIONS:
   - MPP: Marketing Promotion Plan. Report of Promotions given by Marketing Intelligence by product and Client
   - Sell out: Quantity and amount sold by clients
   - Fillrate: Charge made by client when the agreed delivery portion is not achieved.
   - Display: Product that client shows in their stores.

4. PROCESS
   MPP
   A. "Marketing Intelligence" sends to sales team the MPP file.
   B. Sales Manager and Executives review the MPP and if a change is necessary, they must communicate it to Marketing Intelligence who is responsible to have the MPP file updated.
   C. When the MPP is agreed between both areas, the executive should send the last version in the official format "Formato para comunicar promociones".
   D. At the end of the month, Sales Administration will calculate the promotions based in the file located in the shared drive **" P:\Bussiness Control - Planning\Plan promocional autorizado"** which is the unique source to validate any promotion.
   E. In the case of the clients who don't receive the promotions' closing by Sales Administration, the sales executives are the responsible to get the support file.
   F. Marketing Intelligence need to update the MPP file in case they give any additional promotion besides the ones already communicated in MPP.
   G. If there is any charge that is not supported into MPP file (**P:\Bussiness Control - Planning\Plan promocional autorizado)**, the total amount will be discounted from the Retail Fund.
