## Objetive

The purpose of this policy is to specify the dates to deliver the sales results in order to get the monthly commissions, the quarterly & semi-annually KPI´s.

## Scope

This policy is applicable for Sales channel that send their own sales Information (monthly commission) and objective scopes (quarterly and semi-annual bonus) because our area (Sales administration) can´t get directly by S21.

## General guidelines

### 1. Delivery dates

The results to calculate the commissions and kpi´s (quarterly and semi-annually) must be delivered by mail on the 4th workdays of each month.

### 2. Results specifications

The results must contain the data base and must be reviewed and authorized by the manager of each sale channel.

## Measures for non-compliance

The channels that do not deliver on time and in form the necessary information to calculate the payment of quotas and KPI´s their payment will be delayed to the next payment period.
