1. OBJECTIVES

   This policy will help to assign clear responsibilities of areas in order to maintain healthy C&C, establish clear timelines for each responsible area, align areas to have clear communication with clients, allowing prompt charge elimination. To keep updated open charges allowing involved areas to identify and clarify any pending historical charge.

2. REACH

   Program management and C&C

3. DEFINITIONS

   - Open Charges: Collections that the client sends to C&C through a breakdown of payments that reflects the payment corresponding to Promotions, Trade Agreements and / or some other type of benefit.

4. PROCESSES

   A. The Credit and Collection area must update its Open Charges report every week in P: \ ITCG Share \ ITCG - CREDIT \ Open charges. The concept of the charges must be specified by C & C otherwise it is classified as "Others" and C&C will be responsible for monitoring this charges.

   B. As Credit and Collection update its report, Program Management will update "Classification of Open Charges" where the assignment of responsibles will be reviewed and new charges will be identified. This report will be uploaded to P: \ ITCG Share \ ITCG - CREDIT \ Open charges. C & C should review the assignment in Program Management file in order they can track their corresponding charges (Aforo, Cedis, differences in payments, PP and OTHERS).

   C. The persons responsible for the following areas within Program Management must update the status in "Classification of Open Charges" report:

      a. Advertising
      b. Fill Rate
      c. Promotions
      d. Returns

   The following status should be used:

   - To investigate: New Charges
   - In Process: Identified charges and in the process of generating a credit note.
   - Ready to Match: Already has a Credit Note and credit must apply the document..
