## OBJECTIVE

Establish the discount percentage that applies to Authorized Canon Service Agencies (ASAC) in spare parts purchase orders.

## SCOPE

All parts purchase orders that are entered from Canon Authorized Service Agencies (ASAC) corresponding to the ITCG spare parts lines (Printer, fax, scanner, multifunction, photography and video).

## POLICY

**Criteria for the discount application:**

- A 30% discount on spare parts is authorized to Canon Authorized Service Agencies (ASAC) for Photography and Video, which will be applied to the current public price established in S21.
- A 35% discount on spare parts is authorized to Authorized Service Agencies Canon (ASAC) of office equipment (Printer, fax, scanner, multifunctional), which will be applied over the current public price established in S21.
- A 40% discount on tools is authorized to Canon Authorized Service Agencies (ASAC) for Photography and Video, which will be applied to the current public price established in S21.

**Process to Follow**

The ITCG Service Administration area enters in S21 at the option "Captura de Orden"

For Spare Parts:

1) Choose Order Type: Orden de Refacciones
2)#Env A: Enter the ASAC client number, which already has the discount percentage defined.

For Tools:

1) Choose Order Type: Orden de Refacciones
2)#Env A: Enter the ASAC client number
3) Enter manually the Discount authorized at Desc Prc Pzas (MXN) and the Re-calculation of the price is processed
4) Request to the Manager to authorize the order as it needs approval due to manual changes of prices.
