OBJECTIVE

This policy is intended to provide employees of Canon Mexicana, S. de R.L. de C.V. an additional work tool to transport if it is needed to perform their work activities.

SCOPE

The guidelines outlined in this policy shall apply only to employees of the company that with prior authorization of their Managers are authorized to make use of this service. The approved requests can be made for both the metropolitan area of Mexico City or cities in the interior of the Republic.

GUIDELINES

1. - The company will hire corporate Uber service to be used by employees that because of their duties should use this service.

2. - The using of this service will be controlled by cost center.
For this, each manager will be responsible for providing to Accounting department a list with the names of the authorized employees to use this service.

Anyone who isn't included on the list will not be able to use this service.
