BACKGROUND

Canon, from its market leading position as a digital imaging solution company, has become a strong promoter of photographic culture.

Canon Academy is a space whose origin has been to function as a house of Culture, where the main objective is to function as a photography school but retaining the additional function of being a center for exhibitions, conferences and other cultural events of the company itself. or strategic allies.

OBJECTIVE

The purpose of this policy is to clearly establish the basis for the operation and use of the Canon Academy facilities in order to avoid conflicts in the scheduling of events.

SCOPE

This policy will be applicable to all areas of the company that at any given time may require the use of Canon Academy facilities and will be mandatory not only for Canon Mexicana employees, but for all related parties that do use of them.

POLITICS

1. The primary use of the Canon Academy facilities is that of a photography school, which is an income-generating center for the company.

2. In addition to the use indicated in the previous paragraph, the vocation of Canon Academy is to function as a house of culture, so on dates and times that do not interfere with photography classes, the facilities can be used for activities of a cultural nature.

3.- When there is availability of use once the main purposes of the facilities have been fulfilled, Canon Academy may be used to:

   a) Meetings and corporate events
   b) Photo studio
   c) Equipment demonstrations
   d) Marketing events

PREPARED BY	**APPROVED BY:**

7.- Space reservation.

a) Applications must be sent two weeks prior to the date of the event. The request must be sent to the emails lrodriguez@cusa.canon.com with a copy to esegura@cusa.canon.com or any other email that will be announced later. This email must contain the following information:
   i. Justification of the need to use the space
   ii. Exact date of the activity including preparation of the space
   iii. Start and end times of space use.
   iv. Number of attendees, including guests and staff
   v. Responsible for use of space.
   vi. Indicate if the existing normal furniture in the chosen space is removed, for example: table and chairs.

b) The applicant will be responsible for ensuring confirmation by Canon Academy. The sending only the mail does not imply authorization of the use of the space.

c) Once the availability of space is confirmed, Canon Academy will register in the control of the LMS module "Use of Rooms" and will notify the cleaning staff for the preparation of space

8.- The coordination of the activity and/or event will be 100% responsibility of the applicant for the use of space. Canon Academy will not be responsible for the coordination of suppliers for furniture assembly or any other type of coordination.

9.- The requesting user will be responsible for being present in the facilities during the entire time of preparation of the event, so they must be present the entire time that the service providers are on site. Similarly, he will be responsible for returning the facilities in the same state in which he received them, so the person in charge will not be able to leave the facilities until the last guest or supplier leaves the site.
