REF: CASHM-003	VALIDATION START			VERSION	PAGE 1 OF 2
	DD	MM	YY		
	01	06	18	**1 .0**	

OBJECTIVE

Establish the guidelines for the delivery of advances in dollars, for trips abroad of the employees of Canon Mexicana S. de R.L. of C.V.

SCOPE

All trips abroad made by the employees of Canon Mexicana S. de R.L. of C.V.

DEFINITIONS

Business Trip (BT): a journey made somewhere and back again for business purposes in one's working capacity

Advance payment: cash that is delivered in advance to the employee to cover the necessary expenses in the business trip abroad.

RESPONSIBILITIES

1. Each user will be responsible for the approvals follow-up in the Business Trip request.
2. The admin. staff assigned (per Division) will follow up on the correct registration of the BTs of the users.
3. The Accounting team must perform the total review of the process, having all mandatory approvals and it have to be aligned with the established policies for business trips abroad.
4. The Cash Management team will review the report of approved applications and provide monetary resources in the required currencies.

PROCESS

a) Cash Management team will collect the whole detail of Business Trip requests from the Lotus Notes Database (BT / Cash Management) every Wednesday.

b) The Cash Management team will do the forex purchase according to the amount indicated in the application.

c) The Cash Management team will deliver the currencies in cash, every Friday of each week, with prior confirmation via email to the user.

d) The delivery of the currencies will take place in Friday from 3:30 p.m. to 4:30 p.m. at Cash Management location. In case that the Friday days are non-working, the review as the delivery of the money, will be scheduled to the previous business day.

e) The surpluses of the advance payments, will be reported to the administrators per division, according the user (BISG, ITCG, ADM), in order to communicate the amount to be returned.

f) Surpluses will be returned to the Cash Management area, in the same currency that was delivered, without exception. And they will be returned in exact amount.

EXCLUSIONS

1. The delivery of Business Trip advances will be rejected to all employees whose applications do not have all the necessary authorizations or if they are not in the Lotus Notes Database (BT / Cash Management).

2. If BT's request was requested within a period of less than 48 hours of the scheduled delivery, the Cash Management area will not be obliged to have the resources for that request.
