CANON MEXICANA, S. DE R.L. DE C.V.

TITLE: **SUPPLIERS & EMPLOYEES PAYMENTS**					
REF: CASHM-001	VALIDATION START			VERSION	PAGE 1 OF 2
	DD	MM	YY		
	01	06	18	**1 .0**	

OBJECTIVE

Establish the guidelines for the execution of accounts payable of Suppliers and Employees of Canon Mexicana S. de R.L. of C.V.

SCOPE

All payments to third parties that provide a service to Canon Mexicana S. de R.L. of C.V, through its areas (ADM, BISG, ITCG, Warehouse), existing in the company.

RESPONSIBILITIES

The **Accounting** area has the responsibility to deliver to the Cash Management area the list of Accounts Payable, as well as to verify that each invoice is duly validated and approved.

The **Cash Management** area is responsible for the application and execution of the payments, as well as the delivery of the payment vouchers to the Accounting area. Likewise, will be responsible for Banking maintenance (Setup/Change of bank accounts).

The **Procurement** area must register the Supplier in the ARCS System, providing Cash Management with the necessary bank account information for the execution of the payments.

The **Human Resources** area must register the Employee in the PeopleSoft System, providing Cash Management with the necessary bank account information for the execution of the payments.

PROCESS

I. The Cash Management area will receive, every Wednesday, all accounts payable generated by the users of the different Divisions of the Company (BISG, ITCG, ADM) previously received and validated by Accounts Payable (Accounting) on Monday or Tuesday of each week. This list must be delivered to the Cash Management area before 11 am.

II. Cash Management will do the application of the weekly payments in ARCS system.

III. Payments to suppliers and employees will be made regularly every Friday, except for a few exceptions according to the criteria of Cash Management and Accounting areas.

IV. For all extraordinary or urgent payments, the Accounting area must notify the Cash Management area thereof; and in case there is no problem (banking schedule, CFO approval or resources availability) Cash Management will do the payment and deliver the bank receipt.

V. In case any payment is rejected by the electronic banking, the Accounting area will be notified, for its reprogramming and follow-up with the responsible user of each division (ITCG, BISG and Human Resources Administrators)

VI. Cash Management will send the PDF payment vouchers to the Accounting area for administration.

VII. In case of having any eventuality with the Electronic Banking or lack of resources availability, the Cash Management area will rescheduled and notify to all areas related the future settlement date.

EXCLUSIONS

I. It will not be considered within this policy: Payroll Payment, FONACOT, Savings Fund, SUA, Alimony, Settlements, Advances to employees for business trips in foreign currency.

II. No Account Payable will be paid if it is not previously valid and approved by Accounting team.

III. Payments cannot be made when the supplier or employee is not registered in the ARCS or PeopleSoft system or the bank account is not available.
