	DAY	MONTH	YEAR	**2 .0**	
	31	05	2018		

Objective:
The guidelines of the present policy are aimed to establish a use guide of the company's information in social media for the employees of Canon Mexicana.

Scope of application:
The following principles will apply to the use of social media on behalf of the company, and also to the use of personal profiles when posting information related to the company.

Definition of social media:
For purposes of this policy, blogs, wikis, chat rooms, online forums, networking websites and other websites or services that allow users to share information with other people with the help of technological tools will be considered "social media". .

GENERAL GUIDELINES

PERSONAL PROFILES IN SOCIAL MEDIA

The employees, when having personal profiles in social media need to be careful, especially regarding the information that can be posted or not. This is because, when someone identifies itself as employee of Canon Mexicana, and post information about the company or about the image solutions industry and related topics, the employee has to establish the difference between its personal opinion and the official position of Canon Mexicana. For this reason, the employees must accomplish the following guidelines and specifications when posting information that involves the company.

a) The employees of Canon Mexicana will not be allowed to post confidential information, comments or criticism about the company.
b) The employees must be aware about the repercussions that their publications could generate in their workspace.

PREPARED BY:	**AUTHORIZED BY:**
PEDRO MONTERRUBIO CORPORATE COMMUNICATION MANAGER DATE: 31/05/2018	CAROLINA MEJIA ADMINISTRATION SENIOR DIRECTOR DATE: 31/05/2018

c) When posting information in social media, it becomes public information, and may damage the corporate image.
d) Employees must avoid posting wrong, confusing or contradictory information that could have a negative impact in the company's image.
e) The employee's activity in their personal social media should not affect their performance.
f) It is not permitted to use the company's equipment to use personal profiles in social media.
g) In case the employees post information related to the company in a personal social media profile, they must demarcate the responsibility of the company with the following legend: "the publications of this website are personal opinions and do not represent the points of view of Canon Mexicana".
h) It is forbidden to use the Canon Mexicana's logo in personal publications.
i) It is not permitted to post information on behalf of the company in personal profiles in social media.
j) It is forbidden to share pictures taken inside of the facilities and events of Canon Mexicana.
k) A common mistake when employees share their resume is to highlight their personal achievements, including confidential information of the company.
For example:
    - I increased the gross profit from 5 to 10%.
    - We increased the sales of this product line in USD$5,000,000 during 2016.

l) The employees use to modify their position, exaggerating the number of people at their team or assuming responsibilities that they do not have. These actions are forbidden.
m) It is not permitted to download videos, images, audios or texts that will not have a corporate use.
n) It is forbidden to download software or multimedia files for entertainment purposes.

CORPORATE PROFILE. INFORMATION CONTAINED.

a) It is not permitted to share a publication of the company without previous authorization. The Marketing areas of the ITCG and BISG divisions will review the publications.
b) Every material that violates the Code of Conduct, such as images or obscene, discriminator or defamatory comments, is included within the information that cannot be published.
c) Only the spokespersons of each division are authorized to publish sensitive information about the company.
d) The authorized personnel to manage the social media of the company will be the only with the power of interacting with the followers of the profiles, with the only purpose of guiding them in the resolution of doubts or for customer service, using a friendly and positive language. By no means, they will participate in a discussion because of provocative comments.
e) Only the Corporate Communication department is authorized to publish information in media.
f) Regarding the social media, the Corporate Communication department will be in charge of verifying that the Marketing areas of the BISG and ITCG divisions share contents according to the internal rules and Canon Mexicana's philosophy.
g) If the different divisions and departments of the company have the intention to publish information in social media, they will have to communicate with the Marketing departments, as well as with the Corporate Communication department, in

order to program and post the publication, as long as it does not interfere with the strategy previously established.

MEETINGS AND PRESENTATIONS WITH THIRD PARTIES.

It is strictly forbidden for people unrelated to the company to take pictures in the facilities of Canon Mexicana during meetings, training courses, launching events, and others.

The responsible will be designated to ensure the compliance with this rule.

SANCTIONS

In case of violation of the guidelines contained in this policy, besides the administrative, civil or penal sanctions that could generate because of the dissemination of unauthorized and/or confidential information, the company will reserve the right to establish the sanctions that it considers appropriate, including the termination of employment contract.
