Allocation of telephones per period of time and for isolated events.-
Staff that not fall within any of the above classifications, may have access to cell phones with time air is available, to effect that are used during certain events (exhibitions, seminars, trips, etc.) and they must be requested at least three business days prior to the event and returned once it concludes this. The delivery of equipment will be based on availability, respecting the order in which requests are received.

II. General Disposal

1.- Mobile phones will be assigned to the post and to the person, for this reason any used to change of position within the company that does not justify its use of recurring, won't have to deliver the phone to the General Affairs area.

2.- Phones may be reassigned depending on deadlines that are overcoming with the telephone company; this with the purpose of avoiding overspending.

3.- When there are free phones and these cannot be cancel by the expiration of his contract, the General Affairs area should seek options with the telephone company to minimize its cost.

4.- Facilities must evaluate the right phone plan to assign to each applicant employee, therefore, when it exceeds the contracted air time, may require the user justified and, where appropriate, the payment of calls not related to their work in Canon.

5.- When repeatedly the airtime allocated to the employee not be enough for the performance of its functions, you can ask General Service review of the plan, justifying their origin.

6.- The equipment will be included in each plan and where the employee select a team where you will have to pay a difference, it will be absorbed by it, as the team at all times owned by CANON MEXICANA, costs that are out of warranty by evil u so or shock will be paid by the employee.

7.- Mobile phones will be requested through the format of "mobile phone service request", which must be signed and authorized by the Manager or area manager and turned over to General Affairs for their pending.

8.- General Service area will seek to obtain an economic benefit of the teams that have been replaced by the telephone company, either for himself or for any institution for altruistic purposes. If not, teams will be sent to shredding for recycling of materials.

9.- You can reimburse employees of Canon the cost of calls for the use of personal cellular, provided submitted to General Service statement reflecting the telephone numbers and their respective cost.

10.- The refund request must be within the fifteen days following the date of receipt of the corresponding statement. Not be processed refunds with older than one month.

III. Responsibilities.

User´s

The employee that a mobile phone owned by the company, be assigned will be solely responsible for:

1.- Its use, making is exclusive to issues associated with their functions.

2.- Make sure it is in good condition and will be responsible for any damage, loss or theft by mistake, and must pay the cost resulting for any of these concepts.

3.- When you receive your phone will have to sign a loan, which will detail I you accessories, features, and the State in which is located at the time of delivery, since when for some reason the employee is removed from the post or to withdraw from the company You must deliver the phone with the same accessories that had at the time of its receipt. Otherwise, Canon shall have the right to make the automatic discount of the cost of the equipment or missing accessories, without obtaining prior authorization by the employee

4.- It is obligation of the user that is assigned company telephony device bring it daily to the company, is prohibited strictly leave it at home or for use by outsiders.

5.- Report immediately to the area of General Affairs broken equipment, to be replaced him and notify the provider that you remap the phone number to the new computer.
