TITULO: **SHARED CARS USE**					
REF: **SERVGEN-011**	INICIO VIGENCIA			VERSION	PAGINA 1 DE 2
	DIA	MES	AÑO		
	15	03	17	**1 .0**	

Scope.-

To provide needed tools to develop activities according to employees job position, company will facilitate three company cars for shared use among members belonging to the following Departments:

- Professional Service & Project Management
- Business Solutions Development & Support
- Training & Education Service
- Marketing

Guidelines.-

1.- User will apply for the company's car use through the Lotus Notes data base.
When filling application, user must explain:
a) Date of use.
b) Schedule to use.
c) Purpose.
d) Customer's information

2.- When making reservation, user will be able to identify use schedule to plan.
Lotus Notes data base will keep a weekly use registration record.

3.- The maximum authorized period is for three days. However, period can be extended if authorized and if the car is not previously reserved.

4.- Users will be allowed to take cars home overnight or weekends only when:

- If the user stays at the customer site until 5:00 PM
- The user has to bring the car by 7:45 AM on the next working day
- Pre authorization is necessary. Otherwise, car should be returned to company

5.- Manager will authorize the use.

6.- General Affairs will authorize the available car.

7.- User will pick up the key at General Affairs.

8.- When receiving the car, users will be responsible to report to General Affairs if some damage or failure is evident.

9.- Only users with valid driver's license are allowed to use the company's car.

10.- There is another car permanently assigned to a Professional Service & Project Management employee.

Manager, Director and Senior Director are entitled to perform random inspections to the car in order to assure a proper and authorized use of it.

11.- Users are obliged to observe the transit rules in effect in Mexico City or at the visited city.

12.- In case of accident, user should report immediately to Manager and General Affairs. If accident was caused by negligent use, user will be responsible for any fine and insurance deductible payment.

13.- BISG Directors and General Affairs members will be allowed to conduct periodical inspections to the cars and the using registers to assure a proper and justified use.

Gasoline filling.-

General Affairs will be responsible to fill out gasoline. In case of need, user will receive the gasoline card to fill out by him/herself.

Maintenance.-

General Affairs will be responsible to perform maintenance services when needed, according to manufacturer's service guide.

General Affairs will be responsible as well of Insurance renewal, pollution emissions review and tax payments.

After hours requirements.-

If the user needs to user the car after 5:00 PM, the security guard provides the key of the car after the manager authorized on Lotus Notes.
