POLICY

1. The employees, spouse or partner and children will be insured.
2. Children over 18 years of age and under 25 years old will remain insured as long as they prove that they continue studying at the basic, middle or higher levels of the education system.
3. The children who are currently insured will lose the right to coverage at the time they get married, and the employee must notify the company of this situation.
4. Children over 18 years will remain insured in case of total, partial and / or permanent disability.
5. In the event that the employee terminates the conjugal relationship, the employee must notify the company of this situation.

   For the spouse or partner, the benefits will cease, however the children will maintain the coverage of the above mentioned characteristics.
6. For each loss, the employee will make a fixed payment of 2.5 SMGM (General Minimum Salaries in Mexico) for the deductible, and the payment for the coinsurance that corresponds to 10% of the total expenses incurred.
7. The GMM policy may be used as a refund, letter pass or direct payment.

   A) Reimbursement: The employee covers the expenses incurred for the illness, surgery and / or accident, the reimbursement from the insurance company will be requested through Human Resources Department.

   The necessary documentation is: Medical report completed and signed by the treating doctor, accident notice filled out and signed by the employee, original invoices and in case of medical fees, it is necessary to present the correspondent receipt of fees.

   B) The payment will be made by bank transfer, you must attach photostatic copies of: proof of address, voter's credential and bank account statement where the deposit will be made.

   - Pass Card: Used when there is already a surgery schedule, this document must be delivered to Human Resources.
   - Pago Directo: En caso de emergencia, se deberá presentar la tarjeta de la póliza con el nombre del asegurado en los hospitales autorizados.

9. Generalities of the policy:

   A. Medical fees.
   B. Pre-existing conditions covered with a one-year waiting period.
   C. Covered congenital conditions for those born during the validity of the policy. For those born out of validity of the policy, they will be covered as long as the first manifestation or symptom occurs after 5 years of age.
   D. Correction of view is covered up to $ 20,000.00, with deductible and co-insurance of the policy with more than 5 diopters in each eye, waiting period is from 3 years.
   E. Surgery of the nose and / or paranasal sinuses are covered without waiting period, due to illness must be paid deductible and co-insurance. By accident is without deductible or co-insurance.
   F. C-section is covered paying a deductible of 5 SMGM and 10% of co-insurance, without waiting period.
   G. Natural Birth is covered paying a deductible of 5 SMGM and 10% of co-insurance, without waiting period.

POLICY CHANGE

Canon Mexicana reserves the right to modify this policy at any time and without any liability, in case of non-compliance with the guidelines indicated therein.
